

**Healing Addiction in our Community Resources List
December 2017**

HAC does not support or endorse any medication, practitioner, or treatment program relating to heroin or opiate addiction. The Heroin Awareness Committee recommends that you call 911 in an emergency situation. Seek the advice of a medical professional to determine the proper course of treatment for your specific circumstance.

- If you have health insurance, contact the customer service line; they are able to help find providers in your area based on your coverage.
